RE: FELIX RISK TRAINING CONSULTANTS // CHALLENGOR FINANCE

Challenor Finance have had immense pleasure of using the services of Felix Risk Training Consultants for six (6) years, to manage and roll-out a number of Challenor learnership programmes for unemployed individuals.

Felix Risk Training Consultants have an in depth knowledge of the skills development industry and have exceeded our expectations in providing a professional, efficient and exemplary service to our organisation.

We freely recommend Felix Risk Training Consultants to any organisation wishing to roll out any skills development initiative, as their contribution to the marginalised within our society is far reaching and life changing.

Felix Risk Training Consultants have earned the trust and respect of Challenor Finance and we would endorse them without the slightest hesitation.

We look forward to continuing our successful relationship with Felix Risk Training Consultants and changing many more lives through workplace learning programmes.

Yours faithfully
